FUN TIME ACADEMY EARNS DISTINGUISHED 4-STAR CHARITY NAVIGATOR RATING

(Naples, FL) – Fun Time Early Childhood Academy (FTA) is thrilled to announce that it has earned the coveted 4-Star rating from Charity Navigator (CN), the leading charity evaluator in America. This rating, CN’s highest possible as indicated on its [website](#), reflects that Fun Time Academy has been found to demonstrate strong financial health and commitment to accountability and transparency, adhering to sector best practices and executing its mission in a financially efficient manner.

This 4-Star charity designation also verifies that FTA exceeds industry standards, outperforming most nonprofit early learning and preschool academies, as designated by Charity Navigator statistics. According to the CN award letter received by Fun Time, this “exceptional designation...sets Fun Time Early Childhood Academy apart from its peers and demonstrates to the public its trustworthiness.” CN further added that only a fraction of the thousands of rated charities has ever achieved this distinction.

Fun Time Executive Director Barbara Tyrrell states, “It is only through the dedication and hard work of our whole team that Fun Time has been able to earn this designation. As a 50-plus-year old organization, we are honored to be recognized for this highest possible rating from Charity

Navigator. It verifies our continued efforts to consistently exceed industry standards in the field of early learning, as we prepare our students to be ready to read and ready to learn.”
